Admission to Primary School in September 2025

I am delighted to welcome you to Walsall's guide for parents regarding admission into primary schools for September 2025. This booklet provides information, advice and guidance surrounding the application process for primary school places for September 2025.

If your child was born between 1 September 2020 and 31 August 2021, they are eligible for a primary school place for September 2025.

The start of a child's full-time school life can be an exciting time for both parents and children, but it can also be a time where parents and carers may have a lot of questions and concerns regarding choosing the right school for their child. I am pleased to say that last year 99% of children who reside in Walsall secured one of their three preferences, with 96% securing their first preference. To increase your chance of securing a place at one of your preferred schools it is advisable to express a preference for three schools, the maximum number that you can apply for. Failure to do this may result in disappointment with the school place that is allocated to your child.

Prior to starting an application online, I advise for parents/carers to complete the following:

- **Explore school websites** – read school admission policies and entry criteria to gain an understanding of how school places are allocated.
- **Attend opening evenings** – information regarding opening evenings can be found on the school's website.
- **Identify under what criteria the school filled places the previous year** – This information is available in this booklet or from the schools direct. This will enable parents to identify which criterion their application will fall within and therefore the likelihood of being offered a place.
- **Consider how your child will travel to and from school.**
- **Remember to submit by the National Closing Date of 15 January 2025** – submitting a late application will impact the chances of being offered a place at a preferred school.
- **We strongly advise you to list three preferred schools on your child's application** – this increases the chances of securing a place at a preferred school.
- **National Offer Day** – all on-time applications will be made an offer on **16 April 2025**.

All our Walsall schools are committed to giving each child the best possible start at a primary school, helping them to enjoy their experience, learning and achieve their full potential.

The Admissions & Education Sufficiency Team are available to support parents through the application process and are available at schooladmissionsadvice@walsall.gov.uk

If you require any advice or further guidance with submitting an online application, please contact the team who will be happy to assist you.

Every best wish to your child for a successful transition to primary school.

Yours sincerely,

Sharon Kelly
Director – Access & Inclusion

❖ **WILL I NEED TO PROVIDE ANY ADDITIONAL INFORMATION?**

Walsall Catholic Primary Schools

If you wish to express a preference for any Walsall Catholic Primary School, you will need to send any required supporting information, e.g., baptismal certificates, directly to the school along with a supplementary information form. This is available to download from the Walsall Council Admissions page. **Please note that a supplementary information form is not an application for a school place; you must also submit an application to Walsall Council.**

Walsall Voluntary Aided Church of England Primary Schools

If you wish to express a preference for any Walsall Church of England Primary Schools, you will need to send any required supporting evidence, e.g. baptismal certificates, directly to the school along with a supplementary information form. This is available to download from the Walsall Council Admissions page. **Please note that a supplementary information form is not an application for a school place; you must also submit an application to Walsall Council.**

❖ **WHEN SHOULD I APPLY?**

The closing date is the 15 January 2025. Applications received after this date, unless there are exceptional circumstances, will be processed after all on-time applications. **Please note that if your application is not submitted on-time, your child's chances of being offered one of your preferred schools is likely to be significantly reduced.**

❖ **WHAT HAPPENS IF I DO NOT SUBMIT MY APPLICATION BEFORE THE CLOSING DATE?**

All applications must be submitted online through Walsall Council's portal by 15 January 2025. Late applications submitted within 4 weeks of the deadline may be considered on-time if there are "exceptional circumstances" and the parent is able to provide supporting evidence. Late applications received between 14 February and 15 April 2025 will be processed as a late application and applicants will receive their offer after National Offer Day. Exceptional circumstances must be provided in writing, accompanied by supporting evidence and will be subject to verification by the Admissions & Education Sufficiency Team.

All applications received after the 13 February 2025 will be considered as late applications. If the application is not submitted on-time, your child's chances of being offered one of your preferred schools are likely to be significantly reduced. Late applicants will not receive their offer until after National Offer Day.

❖ **AM I ABLE TO CHANGE MY PREFERENCES?**

Changes can be made to an application up until 15 January 2025. After the closing date any change in preferences, other than in exceptional circumstances, will be regarded as a late application and will be considered under the late application policy. Examples of exceptional circumstances can be found within our late application policy on page 22.

❖ CAN I DELAY MY CHILD'S ENTRY INTO RECEPTION?

Children reach compulsory school age on the first day of the term following their fifth birthday. However, all Walsall primary schools provide full-time places for pupils in reception classes from September in the school year in which children reach their fifth birthday. If parents prefer for their child to start school later than 1 September 2025, they may have the option to delay their child's entry. Further information can be found on page 38.

❖ WILL MY CHILD AUTOMATICALLY TRANSFER FROM INFANT TO JUNIOR SCHOOL?

Children do not automatically move from Infant to Junior School. An online application must be submitted to ensure that a child is considered for a place at their preferred junior school and should include the paired junior school as a preference. Failure to complete an Infant to Junior application may result in your child being without a school place when the new year commences.

❖ WHAT CAN I DO IF I AM UNHAPPY WITH THE SCHOOL OFFER MADE?

If you are unhappy with the school place your child has been allocated, you will receive further information regarding appeals with your offer letter. It may not be possible to offer a place at your preferred school and therefore, parents will have the opportunity to appeal against the decision to an Independent Appeals Panel. **Appeals forms must be submitted by 2 June 2025, forms received after this date may result in the appeal not being heard until summer term.**

❖ WHAT IS THE INFANT CLASS SIZE LIMIT?

School governors have a legal requirement to ensure that infant classes do not exceed 30 pupils with a single class teacher. If an appeal is made for a place in an infant class, the school or local authority may use the infant class size legislation to advise an appeal panel that by admitting another pupil there would be "infant class size prejudice."

Where infant class size prejudice is proven, the appeal panel should only uphold an appeal if:

- a) The decision was not one which a reasonable admission authority, properly aware of its responsibilities would make in the circumstances of the case. The circumstances which may be considered include the school's admission policy, the internal organisation of the school and the ability to accommodate pupils in compliance with the class size limit.
- b) The child would have been offered a place if the admission arrangements had been properly implemented.

Almost all admission appeals for schools where there is infant class size prejudice are unsuccessful.

❖ WHAT IF MY APPEAL IS UNSUCCESSFUL?

The decision reached by the Independent Appeal Panel is final and binding on all partners. Repeat appeals will not be considered in the same academic year unless there has been a significant change in circumstances.

❖ DO I NEED TO ACCEPT MY SCHOOL OFFER?

Acceptance of School Place Offered

Walsall Council will only make one offer to your child unless it becomes possible to offer a higher ranked preference later in the process or you are successful at appeal. The school that is offered is the school that your child should attend from September 2025. It is not necessary for you to contact either the Local Authority or the relevant School to accept the offer.

Schools outside the Walsall Borough may require you to accept your school offer with that Local Authority. Contact details for neighbouring Local Authorities can be found on page 7.

Declining School Place Offered

We do not recommend that you decline the school offered unless: a place becomes available at one of your preferred schools from the waiting list, you have made arrangements for your child to attend an independent school, or you will be educating your child at home.

Please consider the following before refusing the place offered for you child.

- The place will be given to another child on the waiting list for that school.
- Your child will not have a secured school place for September 2025 which could result in them missing education.
- There is no guarantee that we will be able to offer your child a place at any of the higher preferred schools that you have named in your application.

If you refuse the school offered, please also consider the fact that this school may not be available at a later stage. Accepting this offer will not affect your child's waiting list position for any of your higher preference schools or influence the outcome of any appeal you may submit.

You are strongly encouraged not to refuse the offer you have received so that your child has a guaranteed place for September 2025. If you have obtained a school elsewhere, please advise the Admissions and Education Sufficiency Team at schooladmissionsadvice@walsall.gov.uk. **All refusals must be made in writing.**

❖ HOW DO I ADD MY CHILD TO A WAITING LIST?

Your child will automatically be placed onto the waiting list of all schools listed as a higher preference on your application. Parents can enquire about their child's waiting list position for Walsall schools by contacting the Admissions & Education Sufficiency Team from the 2 May 2025. All waiting list positions are fluid and can move up or down dependent on the admissions criteria for individual schools. To enquire about your waiting list position for an out of borough school please contact the relevant local authority.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with the Fair Access Protocol must take priority over children on the waiting list.

❖ HOW DO I SUBMIT AN APPLICATION FOR CHILDREN OF MULTIPLE BIRTHS?

If you have children from multiple births, such as twins or triplets, you need to fill out a separate application for each child. Making sure to indicate in the application that the child is part of a multiple birth.

❖ WHO WILL BE ABLE TO ACCESS INFORMATION OR MAKE CHANGES TO MY APPLICATION?

Once submitted, updates or changes to an application can only be made by the applicant. We are unable to share information regarding a child's application without the applicants written consent.

❖ DO I STILL NEED TO APPLY FOR A MAINSTREAM SCHOOL IF MY CHILD IS CURRENTLY UNDERGOING AN EDUCATION HEALTH AND CARE PLAN ASSESSMENT?

Unless there is a finalised Education Health and Care Plan (EHCP) in place for your child, you must still submit a mainstream school application for your child.

SPECIAL EDUCATIONAL NEEDS

The needs for most children with Special Educational Needs can and will be met within the child's own schools. All Walsall schools are required to follow the guidance set out in the Special Educational Needs and Disability Code of Practice to identify children considered to have Special Educational Needs.

All schools have a policy on Special Educational Needs and a designated Special Educational Needs Co-ordinator, SENCO. Furthermore, schools have a designated governor, taking responsibility for ensuring provision to the meet the Special Educational Needs of the child in the school is made. All children should be supported in their learning through a differentiated curriculum, but some children will be given additional support if required through 'SEN Support' or an Education, Health, and Care Plan.

If you have concerns about the provision being made for your child, you should discuss these with staff in your child's school. Further advice and guidance about Special Educational Needs can be provided by Walsall SENDIAS Service at Walsallsendiass@family-action.org.uk.

What happens if your child has an EHCP?

The admission of a child with an Education, Health and Care Plan to a school is the responsibility of the Local Authority which maintains the child's EHCP, this is the authority in which you pay your council tax. The government has set a different timescale for the admissions process for children with EHCP's, meaning places will be given to children with a statement of EHCP before places are allocated to other children. From 15 February 2025, the EHCP will be amended to name the school that the child will attend from September 2025.

Parents/carers of children who live in Walsall, can apply online via the Walsall Council portal, but they should ensure that they show on the application that their child has an EHCP. Parents can also apply by completing the preference form that you will receive as part of the EHCP phased transfer process. The Admissions & Education Sufficiency Team and Education Health Care Plan Assessment Team will work together to ensure that all children with an EHCP receive a single offer of a school place.

Please note that it is not possible to list a preference for a Special School on the online application and parents who wish to apply for a Special School place will need to contact their EHCP family liaison officer to discuss the process of applying for a Special School.

Children undergoing an Education, Health and Care Plan Needs Assessment

Where a child is undergoing a needs assessment for an EHCP the date of issue will be dependent on the date that the application was submitted, and it may not be possible to issue the plan in accordance with the 15 February 2025 timescale. Where the decision to issue an EHCP is not made by the 15 February 2025, the EHCP assessment team will continue to consult with the existing school and the school identified by Primary Admissions, as well as any parental preferences for schooling made as part of the EHCP process, to identify the child's school placement as quickly as the process permits.

TRANSPORT TO PRIMARY SCHOOLS

Please note:

This applies only to children of compulsory school age attending a Primary School, children under the age of 5 can travel free on public transport.

To apply for free transport, pupils must live outside the statutory walking distance, measured by the shortest route along which a pupil, accompanied as necessary, may walk with reasonable safety to their nearest appropriate school.

The statutory walking distance is 2 miles for pupils aged under 8 and 3 miles for pupils aged 8 and above.

PRIMARY AGE

All children of compulsory age, but under the age of 8 are entitled to free travel assistance to their nearest qualifying school if it is more than 2 miles from their home. In addition, children aged 8-11 from low-income families would qualify for travel assistance if they live more than 2 miles from their nearest qualifying school. The walking distance is a measurement we use, the child is not expected to walk this distance unaccompanied.

SUITABILITY OF A 'QUALIFYING SCHOOL'

References to 'the nearest qualifying school' means the nearest qualifying school with places available in the required year group, appropriate to the age, ability and aptitude of the child and any Special Educational Needs that the child may have.

LOW INCOME GROUPS

Children from low-income groups are defined as those who are entitled to free school meals, or families in receipt of their maximum level of Universal Credit (UC). Eligibility for travel assistance will be assessed annually.

Examples relating to eligibility based on income:

Child A is an 8 year old child entitled to free school meals. Their nearest suitable school is 2.5 miles from their home. Child A would be entitled to free travel assistance in the form of a bus pass.

Child B is an 8 year old child whose parents are in receipt of their maximum level of Working Tax Credit. Their nearest school – 'y' – is 2.2 miles from their home; and the second nearest – school 'z' – is 5.5 miles away. Child B would be entitled to travel assistance in the form of a free school bus pass to school 'y' but not to school 'z.'

Child C is an 8 year old child whose parents are not in receipt of their maximum level of Working Tax Credit and who is not entitled to free school meals. Their nearest school is 2.5 miles from their home. Child C would not be entitled to free travel assistance.

HOW THE INTER-LA COORDINATED ADMISSION SCHEME WORKS

Allows parents/carers to express preferences for a maximum of 3 schools, listing in favourable order and provide reason of choice.

Each school named on the application is considered as a separate application.

Schools where the governing body is the admission authority will be informed of all application naming their school but not the rank given by you.

Parents are unable to hold places at more than one primary school.

After the closing date, the admission criteria for each school will be applied to determine whether your child meets the school's criteria.

If your child meets the admission criteria of only **ONE** of your named schools, you will be offered a place at that school.

If your child meets the admission criteria of **TWO** or more named schools, you will be offered a place at the highest ranked school.

If you are a Walsall resident and your child does not meet the admission criteria for any named schools, we will offer a place at an alternative school with places available.

If you live outside of Walsall and do not meet the admission criteria for your named school, your home authority is responsible for offering an alternate place in your home authority area.

On National Notification Date, 16 April 2025, all parents in Walsall, will be informed of the outcome of their applications.

EXAMPLE OF HOW THE INTER-LA COORDINATION ADMISSION SCHEME WORKS

The examples below do not use names of Walsall Primary Schools.

Example 1:

Ranjit lives a long way from Fairview School and close to Sunnyville School and Hall View School. His parents are aware that Fairview School are usually oversubscribed, but they would like to see if Ranjit will be offered a school place.

Rank	School	Ranjit's Details	School's Admission Criteria Met?	Place Offered?
1	Fairview	Lives 5 miles away	No	No
2	Sunnyville	Lives ½ mile away	Yes	Yes
3	Hall View	Lives 1 mile away	Yes	No

Ranjit lives too far from Fairview to be offered a place. He qualifies for a place at Sunnyville and Hall View. **He is offered a place at Sunnyville, the higher ranked of the schools for which he qualified.**

Example 2:

Lucy's nearest school is Midhay. Her parents would like her to go to Bishop Fields, slightly further away and is also a Catholic School.

Rank	School	Lucy's Details	School's Admission Criteria Met?	Place Offered?
1	Midhay	Lives ¼ mile away	Yes	Yes
2	Bishop Fields School	Is a baptised Catholic	Yes	No
3	Marsh Hill School	Lives ½ mile away	Yes	No

Lucy met the Bishop Fields criteria because she is Catholic. She also met the admission criteria for Midhay and Marsh Hill because she lives near to both schools. **Lucy is offered a place at Midhay, the higher ranked school.**

Example 3:

James lives ½ a mile from Wishbone, but his parents don't want him to go there. The schools they have named are a long distance from their home.

Rank	School	James' Details	School's Admission Criteria Met?	Place Offered?
1	Trent School	Lives 6 miles away	No	No
2	Rainbow School	Lives 5 miles away	No	No
3	Avon School	Lives 4 miles away	No	No

James lives too far from his parents' preferences to qualify for places. His closest school, Wishbone, filled it's places with children whose parents had ranked it as one of their preferences. **James is therefore offered a place at Sally Hall School. This school is 2 miles from his home but is offered as it is the nearest school with places still available.**

LATE APPLICATION POLICY

Primary school applications can only be made online through the Walsall Council portal before 15 January 2025, applications submitted after this deadline will be considered as late.

Also considered as late applications:

- Requesting to add additional school preferences after the deadline.
- Requesting to change the preference order of schools after the deadline.

Each admission authority is required to publish their own Late Application Policy explaining how late applications are processed. Walsall Council's Late Application Policy is set out as below and is applicable to all Walsall Schools that do not publish their own Late Application Policy.

Late Applications received within 4 weeks after the closing date (16 January 2025 - 13 February 2025)

Applications submitted during this date will be considered as late and applicants will not receive their notification of offer until after National Offer Day unless there are exceptional circumstances, including:

- A family moving into Walsall after the deadline date.
- Exceptional circumstances which prevented submittal before the deadline date.
- A single parent has been ill for some time.

In these cases, the circumstances must be given in writing at the time of application. Supporting evidence is to be provided and will be subject to verification by Walsall Council.

Late Applications received more than 4 weeks after the closing date (14 February - 15 April 2025)

All applications submitted more than 4 weeks after the closing date, but before National Offer Day, will be considered as late applications and applicants will not receive their notification of offer until after National Offer Day. Please refer to key dates on pages 5 and 6 to determine when offers will be received for late applications.

Late Applications received after National Offer Day 16 April 2025 (once places have been offered)

Applications received after National Offer Day, will be offered a place at the highest ranked school dependable upon availability. For Walsall residents only, if no places are available at any preferred school, an alternate place will be offered to the nearest Walsall School with places available. The application will then be placed onto the waiting lists for schools listed as preferences in admission criteria order.

Late applications can be found on the School Admissions page on the Walsall Council website.

[Walsall Council primary admissions webpages](#)

During the admission process you must notify the Admissions & Education Sufficiency Team in writing of a change of home address and provide proof of address.

Failure to provide this information will affect the outcome of your preferences.

WAITING LIST POLICY

Waiting lists for all Walsall schools will be maintained by the Admissions & Education Sufficiency Team until the end of the Autumn term 2025. Parents are able to enquire about their child's waiting list position by contacting the Admissions & Education Sufficiency Team on schooladmissionsadvice@walsall.gov.uk from 2 May 2025. To enquire about your waiting list position for a school outside of the Walsall Borough please contact the relevant local authority.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with the Fair Access Protocol will take priority over children on the waiting lists.

Waiting lists include all children who have been refused a place at any school which has been ranked higher than the offered school place, for example:

- If your child is offered a place at the school that you ranked 2nd on your application, your child will automatically be added to waiting list for the Walsall School that you had ranked in 1st.
- If your child is offered a place at the school that you ranked 1st on your application, your child's name will not be added to any waiting list. A request can be submitted in writing by the parent or guardian if you wish you to be added to a waiting list.

We aim to offer parents a place at their highest ranked preferred school.

Please note that waiting lists are held in admission criteria order and pupils can move up or down on the waiting list throughout the admissions process.

MULTIPLE OFFERS

We will only make one offer of a school place for your child on National Offer Day.

If the local authority are in a position to offer a higher preference from the waiting list at a later date, we will make contact with you by email and telephone to advise of the available place. Written acceptance of this additional offer will be required within 5 working days whereby the lower preference offer will be removed. Please note that your child can only hold a place at one school at any time.

HOW TO APPEAL IF YOUR APPLICATION IS UNSUCCESSFUL?

Parents who do not obtain a place for their child at a preferred school are eligible to appeal against the decision made. An Independent Admission Appeal Panel will hear the appeal. The decision made by the Appeal Panel is binding on the school, the parents, and Walsall Council.

If you wish to make an appeal against a decision, the Appeals Information sheet accompanying your offer letter explains who you will need to contact for information surrounding appeals. If the school you wish to appeal for is situated outside of Walsall, you should contact the relevant local authority for information on their process.

The deadline for you to submit your appeal form for a community or voluntary controlled school within Walsall is 2 June 2025. For academies, foundation schools and voluntary aided schools, appeals are arranged by the governing bodies, you will need to contact the school direct for an appeal form and information about their appeals procedure and the deadline for submission.

If an appeal is unsuccessful, the policy for all Walsall Schools, is not to hold another appeal in the same school year unless there are significant changes in circumstance for the child or the school.

WITHDRAWAL OF AN OFFER AT A WALSALL SCHOOL

Once a school place has been offered on 16 April 2025, we will assume that you have accepted the place offered.

The offer of a place at an oversubscribed school may be withdrawn if your application contains fraudulent or intentionally misleading information that would prevent a place being given to a child with a higher priority. This includes providing a false home address on the application.

Where a place is offered based on the address provided on the application, but the child's address is subsequently found to have changed, the offered place may be withdrawn.

ADMISSION CRITERIA FOR COMMUNITY & VOLUNTARY CONTROLLED SCHOOLS

The Admission Authority for Walsall Community & Voluntary Controlled Schools is Walsall Council. Admissions are administered by the Admissions & Education Sufficiency Team.

Where the number of applications received is greater than that of school places available, Walsall Council's admission criteria is applied to all community and voluntary controlled schools. This admission criteria is shown below, in order of priority.

CRITERION 1: CHILDREN IN PUBLIC CARE & PREVIOUSLY LOOKED AFTER CHILDREN

Children in public care are children in the care of a local authority or provided with accommodation by a local authority and previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. These children are given priority over all applications.

CRITERION 2: SIBLING ALREADY IN ATTENDANCE

Pupils who have a sibling in attendance at the school or paired junior school at the point in which the application is made and who will still be attending the school at the proposed admission date. A sibling is a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother/sister sharing the same parents.
- A half-brother/half-sister sharing common parent.
- A step brother/sister
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residence order)

The authority will try to ensure that as far as possible, siblings (including twins, triplets, or children from other multiple births) can attend the same school.

CRITERION 3: MEDICAL OR SOCIAL GROUNDS

Relevant medical or social grounds which show that attendance at the school is essential, and which are supported in writing by a medical practitioner or appropriate professional. If parents believe there are specific medical/social reasons for claiming priority to attend a particular school, the relevant part of the online form must be completed and evidence to support the claim must be submitted directly to the Admissions & Education Sufficiency Team. This can relate to the child or the parents, for example where either parents or the child have a disability making travelling to a school further away more difficult. Medical evidence, which relates to parent, will be considered in the following circumstances:

- Where the child lives with a single parent who has a medical condition or disability that may make travel to a school further away more difficult.
- Where the child lives with both parents and both parents have a medical condition or disability that may make travel to a school further away more difficult.
- Where a child lives with both parents and one parent has a medical condition or disability that may make travel to a school further away more difficult medical evidence may be considered if the other parent is

unable to accompany the child on the journey to and from school because they are the sole carer for the other parent.

Medical: Medical evidence from a medical practitioner must be submitted in writing and should state why the preferred school is the only school that can meet the child’s needs.

Social: Social evidence from a social worker or an alternate appropriate professional must be submitted in writing and should state why the preferred school is the only school that can meet the child’s needs.

Please note that preferences are only given priority under the medical/social criterion in very exceptional cases where medical or social evidence clearly demonstrates that the preferred school is the **only school which can meet the child’s needs**.

CRITERION 4: PAIRED INFANT SCHOOL. JUNIOR APPLICATIONS ONLY!

For applications to junior school only. Attendance by the child at the relevant paired infant school when the application is made. List of paired schools are shown below:

Infant School	Paired Junior School
Alumwell Infant	Alumwell Junior
Delves Infant	Delves Junior
New Invention Infant	New Invention Junior
Palfrey Infant	Palfrey Junior
Rosedale CE © Infant	Short Heath Junior
Sunshine Infant & Nursery	Blakenall Heath Junior
Whitehall Nursery & Infant	Whitehall Junior Community

CRITERION 5: CHURCH PLACES AT VOLUNTARY CONTROLLED CHURCH OF ENGLAND SCHOOLS

The below schools may offer church places to children of regular worshippers based upon their admission numbers. Up to 25% of places may be allocated as ‘Church Places’ to children, regardless of distance between home and school, whose parents are regular worshippers at a Christian church and whose application is supported in writing by the minister of the church where they worship.

- Christ Church CE (C) JMI
- Holy Trinity CE Primary
- Little Bloxwich CE (VC)Primary
- Old Church CE (C) Primary
- Rosedale CE (C) Infant
- St Giles CE Primary
- St John’s CE Primary
- St Michael’s CE (C) Primary

Admission Number	Maximum Number of Church Places
30	7
45	11
60	15

“Regular Worshipper” is defined as attending a place of worship on at least one occasion per month over the past 12 months. If there is over-subscription for Church places, priority will be granted to those living closest to the school as measured in a straight line.

Supporting Evidence:

A supplementary information form (SIF) will need to be downloaded from the Walsall Council website [School admissions | Walsall Council](#) for applicants to submit to the school.

CRITERION 6: DISTANCE

Distance will be measured in a straight line from the centre point of the home address to the central point of the school address, using the local authority’s computerised measuring system, with those living closest to the school granted priority.

The home address is considered as the permanent residence of the child in a residential property when the place is offered. The address must be the child’s only or main residence and either:

- Owned by the child’s parent, parent’s or guardian, and the child resides at the address or
- Leased to or rented by the child’s parent, parent’s or guardian under lease or written rental agreement of no less than 6 months old and the child resides at the address.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Where parents have shared responsibility for a child and the child lives with both parents for part of the week, the main residence will be determined as the address where the child lives for majority of the week. Parents may be requested to supply evidence to support the address used for the application.

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at an oversubscribed school the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address which was further away from the school and the child would not have qualified for a place within distance criterion.

If a home address is a flat/apartment and there is more than one flat/apartment at the same address, priority will be given to applicants at the lowest numbered flat or on the lowest floor.

ADMISSION CRITERIA FOR ACADEMIES

Where the number of applications is greater than the number of place available, each academy will apply its own admission criteria.

All schools must admit any child with an EHCP that names the school directly. In the event of oversubscription, places will be offered using the academies individual criteria. Please visit the links provided below to view the academies admission criteria.

NURSERY EDUCATION

Good quality pre-school experiences are directly related to better cognitive, social, and behavioural development for young children. All providers of early year's education work within the framework of the Early Years Foundation Stage.

All parents of children aged three to four can access 15 hours of government funded childcare (570 free hours per year).

Parents of two-year-olds can access 15 hours a week of funded childcare if they are in receipt of income support benefits, such as Universal Credit, and earn less than £15,400 a year.

In addition to this, working parents of children aged 9 months + may be able to access up to 30 hours government funded childcare (1,140 free hours per year) if they meet the eligibility criteria.

These hours are typically taken per week for 38 weeks per year (term time), but some providers offer flexibility.

Children may be able to access their entitlement of government funded childcare at

- Nursery schools
- Some Primary schools
- Playgroups
- Day nurseries
- Independent schools
- Childminders

ENTITLEMENT AT A NURSERY, INFANT OR PRIMARY SCHOOL

Prior to a reception class transition, all children are entitled to three terms of part-time nursery education in a Walsall nursery school or in a nursery class within a primary school. **A place in a nursery class within a primary school does not guarantee a full-time place in the school's Reception class.**

Places are available at childminders, playgroups, day nurseries and independent schools that are registered to deliver the Early Years Foundation Stage. For more information, please contact the Walsall Families Information Service on 01922 653383 or [Walsall FIS Homepage \(mywalsall.org\)](http://mywalsall.org).

HOW DO I APPLY FOR A PLACE?

To apply for a nursery place you should contact the school's Head Teacher for details.

Places at Community or Voluntary Controlled nurseries, infant, and primary schools, will be allocated using the following criteria if there are more applications than places available (in order of priority):

1. Children in Care (Child in Care), and previously Looked After Children
2. Pupils who have an older sibling already in attendance at the school at the proposed time of admission
3. Pupils for whom a place at the school is essential on medical or social grounds as supported in writing by a medical practitioner or a social worker. Application will be subject to verification by the Executive Director, Children's Services
4. Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

If you are refused a nursery place there is no right of appeal as nursery education is non-statutory. Where this is capacity, schools may offer places to children who have attained the age of 3 years.

To apply for a place at a private, voluntary, independent provider, or childminder, please visit their website and contact the provider directly.

APPLICATION FOR DEFERRED ADMISISON TO RECEPTION & APPLICATIONS FOR ADMISSION OUTSIDE OF A CHILD'S NORMAL AGE GROUP

Children reach compulsory school age on the first day of the term following their fifth birthday. However, all Walsall primary schools provide full-time places for pupils in reception classes from September in the school year in which children reach their fifth birthday.

If parents prefer for their child to start school later than 1 September 2025, they have the option to delay their child's entry until later in the 2025/26 school year when their child reaches compulsory school age. Parents who wish to delay their child's start must complete an application by 15 January 2025 and must write to Walsall Council to inform what date they wish their child to start in reception class. **Please note parents are unable to delay entry into reception class beyond the beginning of the term following their child's fifth birthday.** Furthermore, parents can request that their child attends part-time until the child reaches compulsory school age.

Summer born children, (born between 1 April and 31 August) reach compulsory school age in the September following their fifth birthday. Parents of summer born children may submit a request for their child's entry to reception class to be deferred which means their child will be admitted to a reception class in the September following their fifth birthday, at the point in which other children in their chronological age group are moving from the reception class to year 1. **All requests for reception class deferral should be submitted in writing to the Admissions and Education Sufficiency Manager via primary.admissions@walsall.gov.uk by 15 January 2025 along with supporting education or medical evidence provided by a professional working directly with the child.**

Parents seeking a place for their child outside of their normal age group should make a request in writing to Walsall Council to primary.admissions@walsall.gov.uk providing details of the reason for the request and supporting medical or educational evidence. When a request for reception class deferral or admission outside of a child's normal age group relates to a community or voluntary school in Walsall, Walsall Council as the admission authority for the school, will make the decision as to whether to grant the request based on the individual circumstances of each case. If the application relates to a place at a school when Walsall Local Authority is not the admission authority, then the Admissions & Education Sufficiency Team will forward the request to the relevant admission authority for their consideration.
