

# PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

## Curriculum Information

Year 4 Autumn Term 1 2024

Subject	What are we learning?	How you can help at home
<p><b>English</b></p>	<p>In English this half term, children are studying the text, 'Tuesday' by David Wiesner and 'Grandpa Chatterji' by Jamila Gavin. They will be writing descriptions, advertisements and instructions.</p> <p>The children will be consolidating their understanding and application of adjectives, verbs and noun phrases when writing descriptions. They will also be exploring fronted adverbials.</p> <p>Children will be planning in note form and developing their initial ideas, they will then draft their ideas from the plan into a structured written text and then revise their writing by making changes.</p> <p><b>Spelling Test will take place on a Tuesday</b> <b>English homework is given out on a Friday and is due in the following Friday.</b></p>	<p><u>Reading</u> Please hear your child read at home at least three times a week. Ask questions which encourage your child to draw inferences about characters' feelings, thoughts, emotions and actions.</p> <p>Please help your child to read every night and record on the GoRead App. Bedtime reading advice available at <a href="http://www.theschoolrun.com">www.theschoolrun.com</a></p> <p><u>Spelling</u> Please help your child practise their spellings several times a week. Regular practise at home makes such a difference.</p> <p><u>Online learning</u> Please encourage your child to explore Oxford Reading Buddy, Purple Mash and Education City throughout the week too.</p>
<p><b>Phonics</b></p>	<p>For those children still having Phonics sessions, we will be focussing on phonemes.</p> <p>Children will be segmenting and blending sounds and encouraged to spell them correctly.</p>	

## PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

<p><b>Maths</b></p>	<p>In Maths this half term, we will be focusing on number and place value. Children will be rounding and looking at sequences of numbers, identifying the value of different digits in numbers up to 10,000 and using this to compare and order numbers. Children will also be developing their mental and formal written methods for addition, subtraction, multiplication, and division in arithmetic lessons.</p> <p><b>Children will have timetable tests/activities three times a week in lessons.</b></p> <p><b>Maths homework is given out on a Friday and is due in the following Friday.</b></p>	<p>It would be helpful if you can support your child in recalling the multiplication tables at home and counting in patterns of 4, 6, 7 and 8. TTRockstars can be used to help your child practise their timetables recall. <a href="https://www.ttrockstars.com">Times Tables Rock Stars - Times Tables Rock Stars (ttrockstars.com)</a></p> <p><u>Online learning</u> Your child can explore MyMaths, TopMarks and Supermovers on the link below: <a href="https://www.mymaths.co.uk/">https://www.mymaths.co.uk/</a> <a href="https://www.topmarks.co.uk/">https://www.topmarks.co.uk/</a> <a href="https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4">https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4</a></p>
<p><b>Science</b></p>	<p>Our Science focus this term are the states of matter. Children will be learning about how materials can change state when heated or cooled. They will then be moving on to the water cycle. They will be reporting findings from their own enquiries and learning about evaporation. Children will be carrying out investigations and observing the results over time.</p>	<p>You can carry out your own evaporation experiment! Put 2 teaspoons of water each in two different dishes. Place one dish in the sunlight or directly under a light source and put the other dish in the shade. Ask your child to check the dishes every 4 hours and make observations about how quickly the water evaporates from each one.</p> <p><u>Online learning</u> Check out this BBC Learning website all about the states of matter: <a href="https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/zsgwwxs">https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/zsgwwxs</a> Check out this BBC Learning website all about the water cycle: <a href="https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/z3wpp39">https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/z3wpp39</a></p>
<p><b>History</b></p>	<p>The children's topic this term is called Pharaohs. In History, children will be learning about Tutankhamun's tomb, the pharaohs, and ancient Egyptian Gods. They will be comparing the lives of the people that lived in ancient Egypt.</p>	<p>Explore ancient Egyptian civilisation through books and the Internet.</p> <p><u>Online learning:</u> Find out more about ancient Egypt:</p>

		<a href="https://www.bbc.co.uk/bitesize/topics/zg87xnb">https://www.bbc.co.uk/bitesize/topics/zg87xnb</a>
<b>Geography</b>	As part of their topic, Pharaohs, children will locate Egypt on a world map. Use online maps and other information sources to describe Egypt's landscape, surrounding countries and seas, climate, and significant geographical features, such as the River Nile. Children will learn why the River Nile was so important to the development of ancient Egyptian society and its wealth.	Find out facts about Egypt: <a href="https://kids.nationalgeographic.com/geography/countries/article/egypt">https://kids.nationalgeographic.com/geography/countries/article/egypt</a>
<b>Art &amp; Design</b>	Our Art topic this half term is called Islamic Art. The children will look at calligraphy, arabesque designs and geometric patterns. The children will be creating their own geometric patterns and use this to create a repeated pattern. The children will learn what a motif is and use this decorative image to create a pattern.	You can create your own designs at home or look for this style of patterns in the world around us.
<b>Design and Technology</b>	Children's Design and Technology topic is called Tomb Builders. They will learn about simple machines, including wheels, axles, inclined planes, pulleys and levers, exploring how they helped ancient builders to lift and move heavy loads.	Find out more about tombs in ancient Egypt: <a href="https://www.bbc.co.uk/teach/class-clips-video/history-social-studies-ks2-tombs-in-ancient-egypt/zh276v4">https://www.bbc.co.uk/teach/class-clips-video/history-social-studies-ks2-tombs-in-ancient-egypt/zh276v4</a>
<b>Computing</b>	Children will be exploring Scratch and learn how to insert and change scripts, change backgrounds and add an animation. In school children will be shown how to use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content on the internet.	Please ensure your child is only accessing age-appropriate content online.  <u>Online learning</u> Coding activities to complete at home: <a href="https://turtleacademy.com//lessons">https://turtleacademy.com//lessons</a>
<b>PE</b>	In PE the children will be practising their catching and throwing skills using a range of different balls. In Outdoor Games, children will be learning the rules for Tennis and learning how to use the racquet.	You can support your child by practising hand-eye-coordination for example, rolling a ball against a wall, and throwing/catching.  Please make sure your child has full P.E kit. • Jewellery is not allowed.

## PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

	<p><b>Outdoor PE day - Friday (weather permitting)</b> <b>Indoor PE day - Thursday</b></p>	<p>• Long hair should be tied back. <b>For safety reasons, NO earrings are allowed.</b></p>
<p><b>Swimming</b></p>	<p>First week back to swimming safety procedures and pool rules will be covered. Children will also have a short assessment to allow teachers to place them into a lane relevant to ability. Strokes will continue to be developed and improved, as will water skills which include floating and an introduction to feet first sculling.</p> <p><b>Swimming day - Monday</b></p>	<p>Please remember all children will need to bring a bag with their swimming costume/trunk, swimming hat and towel. Please make sure these are named. <b>For safety reasons, NO earrings are allowed.</b></p>
<p><b>RE</b></p>	<p>In RE, we will be studying Islam. Children will look at the five pillars of Islam in the lessons this half term. The five pillars of Islam:</p> <ul style="list-style-type: none"> <li>• Shahadah: sincerely reciting the Muslim profession of faith.</li> <li>• Salat: performing ritual prayers in the proper way five times each day.</li> <li>• Zakat: paying an alms (or charity) tax to benefit the poor and the needy.</li> <li>• Sawm: fasting during the month of Ramadan.</li> <li>• Hajj: pilgrimage to Mecca.</li> </ul>	<p>Ask your child what they have learnt about the five pillars of Islam. It is important that children are taught about tolerance and respect the beliefs of others.</p> <p><u>Online learning</u> <a href="https://www.bbc.co.uk/religion/religions/islam/practices/fivepillars.shtml#:~:text=The%20Five%20Pillars%20consist%20of%3A%201%20Shahadah%3A%20sincerely,of%20Ramadan.%205%20Hajj%3A%20pilgrimage%20to%20Mecca.%20">https://www.bbc.co.uk/religion/religions/islam/practices/fivepillars.shtml#:~:text=The%20Five%20Pillars%20consist%20of%3A%201%20Shahadah%3A%20sincerely,of%20Ramadan.%205%20Hajj%3A%20pilgrimage%20to%20Mecca.%20</a></p>
<p><b>PSHE</b></p>	<p>This half term, children will be studying the topic 'New Beginnings'. They will be learning about the emotions they may feel when going through changes in their life. Children will be creating a class guidebook to share with new pupils in the year group.</p>	<p>Discuss with your child any worries or concerns that they may have about starting a new year at school. Encourage your child to show respect and resilience at home. Talk to them about the discussions they have had in class assemblies.</p>

**PHEASEY PARK FARM**  
Primary School &  
Early Years Centre

## PHEASEY PARK FARM PRIMARY SCHOOL AND EARLY YEARS CENTRE

<b>Music</b>	Through a range of pieces, children will learn to play ever increasingly complex rhythms and melodies on the steel pans. They will focus on accurate posture, accurate rhythms and moving between different pitches smoothly and accurately.	Find a range of different music that have the steel pans.
<b>German</b>	This half term's topic will be <i>Going to School</i> . Here, children will learn to describe their morning routine (I get up, I brush my teeth ...), describe how to get to school (I go on foot, I go by car ...) and learn words related to other modes of transport (coach, bicycle, train ...). Children also learn vocabulary for school subjects and parts of the school day. Furthermore, they will be learning to describe what's in the classroom (classroom, teacher, board, pen...) and how to give opinions about school subjects (to prefer, to like, boring, interesting ...)	Ask your child to repeat some of the phrases they have learnt in their German lessons and ask them what it means. Please visit the <a href="http://Languagenut.com">Languagenut</a> website to learn how to say different words in German
<b>Visits and Visitors</b>	Animal Man - 12.9.24 Steel Pans every Wednesday Parents Evening- 14/10/24 & 16/10/24 History Workshop- Egyptians - 23.9.24 Back to School Disco- 29.9.24	Please encourage your child to share the experiences at school with you at home and research the animals they have seen.
<b>Curriculum Days</b>	Our curriculum day will focus on Art and Design activities. Curriculum Day is on 22.10.24	Support with providing resources from home that we could use such as cardboard. Further information will be shared with parents/carers.
